Description: Mijas Costa

This frontline Beach property gives a true feeling of living right next to the sea. The plot, elevated as it is, makes it possible to enjoy absolute privacy, something rarely found on a first line beach location. The beach is sometimes rocky, sometimes sandy, depending on wind and weather. The generous plot of 1385m² has mainly been changed into a superb terrace and pool area. The villa offers 232m² built. It has 5 bedrooms and 5 bathrooms of which one of each in the guest apartment. The villa is built over two levels. The master bedroom upstairs provides a spectacular terrace. 5 bed, 5 bath, heated pool, garage, air conditioning, marble flooring, fire place.
