Description:

This magnificent south-facing villa in a peaceful and relaxed gated community is situated in one of the most distinguished areas, a few minutes drive to San Pedro and the beaches offers stunning views to the Mediterranean sea and the mountains. The rustic house with its sizeable rooms has been developed with total attention to detail. The concept of al-fresco entertainment is perfectly realised by sizeable open and covered terraces and a BBQ. The property comprises of 3 reception rooms, a bespoke kitchen/breakfast room, larder/walk-in fridge, basement, bodega, laundry/shower room, and a garage for 5 cars. Furthermore the property is fully air-conditioned, there is under floor heating throughout the house, a monitored alarm entry system, and a combination of marble and terracotta flooring.
